

2010 Honeybee Festival License Plates

Order Form

This year marks the 30th Anniversary of the Paris Honeybee Festival and we are once again offering commemorative license plates for sale. In honor of the 30th Anniversary of the Festival, we have a new "BEE LOGO" designed by Morgan Willoughby, a senior at PCHS. We have also LOWERED the prices of the license plates to \$35 per set (additional sets for the same owner/business will be \$25).

Seeing a financial need by the local school districts as well as a way to promote the Honeybee Festival, we are trying something new to help the local schools. If you so choose, we will donate \$5 of the plate fee to the school (or specific school organization) or your choice. All you need to do is check one of the boxes below when you submit your order form by ~~June 1st~~ June 22nd.

We need the order forms returned by ~~June 1st~~ June 22nd in order to get a plate count for our order. Extra sets are usually ordered but orders received after June 1st will be filled on a first come basis. If your order cannot be filled, your payment will be returned to you. Please note that a copy of your vehicle registration is required to be sent to Springfield before your plate set will be released for delivery. Registrations that expire in June through July may be submitted late, but we need your payment now to reserve your set.
